

Software Enhancement Request

To: Datafaction
Fax: (323) 291-3111
Attn: Lisa Brandt, Project Manager

Suggestion for general software enhancement.
Please include this change in next year's software update if it is determined to be of wide general interest.

Custom enhancement request. By submitting this form, I authorize up to 2 hours of billable programming research to determine the feasibility and cost of installing this change on my system.
